

Freshi Film Camp Application Form

Are you a young filmmaker between the ages of 8 and 18? Do you want a hands-on experience in making movies? Do you want to have interactive workshops with active filmmaking professionals? Join the Freshi Team for 2009's Freshi Film Camp, make friends, meet fellow aspiring filmmakers and start making your demo reel today!

Freshi Film Camp is a five-day immersive experience that gives each attendee a chance to work on a film crew and create their own films. There are beginner, intermediate and advanced levels, so any young filmmaker will fit right in!

Each Freshi Film Camp follows a Monday - Friday, 9:00 am to 4:00 pm daily schedule. Each camp culminates in a "Freshi Film Camp Film Festival" giving friends, family and guests the opportunity to see the finished films created by the young filmmakers during their week at camp. A professionally moderated Q.&A. between the filmmakers and the audience immediately follows the screening of all films.

The number of allowable attendees is LIMITED, so apply soon! This is a filmmaking opportunity not to be missed!
