The IFFF Youth Fest! (IFFF-YF!) is a youth film & screenplay competition. Festival film finalists and winners will have their films screened and receive Awards on March 19th, 2011 or by mail.

The IFFF-YF! gives young filmmakers from across the U.S. and abroad the opportunity to attend important film panels, network with their peers and professional filmmakers and premiere their films in Hollywood before a live audience! A brief Q&A follows each film for engaging conversation between the filmmaker and festival attendees.

In addition to the film's screening at the IFFF-YF!, the IFFF will post the filmmaker's name, movie synopsis, cast list and the film's awarded "Finalist or Winner" seal on its website.
